

Song & Story

Purpose: To nurture values of *love* and *life*
through an entertaining and interactive program.

Description: *Song & Story* is a program for children 3 years and older. It combines the art forms of story telling and singing enhanced by specially designed props. The stories will all be original, intended to convey human values and love to young children in a positive and safe environment. This program will encourage children to actively participate and reflect on the story.

Art of Story Telling & Singing

Story telling is an ancient art that promotes creative thinking in young minds. Children are free to visualize their own unique version of the characters and situations in the story. Stories when combined with music offer a potent channel to unleash boundless imagination.
